Bright, light and low maintenance, this contemporary townhouse on 230sqm offers up the easiest lifestyle in a sought-after neighbourhood. Just moments to Monash Medical Centre and within a quick walk of the station, vibrant cafes and delis, this smart setting is an ideal proposition for young buyers and investors alike. Fashionable new floors and high ceilings star in the open plan living and dining zone that extends effortlessly from a sleek stone kitchen offering quality Blanco appliances – this space connects with a stress-free garden where there is ample space to relax outdoors or cook up a storm on the BBQ with friends. Both of the double bedrooms are peacefully tucked away upstairs where they each offer fitted robes and share a bright central bathroom – while, also included are, a linen closet, split system heating/cooling, lock-up garage plus 2 other off street car spaces. Just steps to the neighbourhood grocery store, close to Fregon Reserve and within easy reach of Monash University Clayton, there is everything you could need right at your fingertips!
