A splash of Hamptons influence on the exterior, complemented by timeless and luxe details inside, these two brand new double storey homes engage your senses with the use of premium stone bench surfaces, soft neutral tones throughout, European oak timber floors, high ceilings and plenty of natural light. High end builds and clever designs, the floor plans will appeal to any buyers from couples through to downsizers, offering open plan social living and kitchen spaces downstairs, a second living room option upstairs, and zoned bedrooms, including the master bedroom with ensuite located downstairs in both homes, and another 2 bedrooms upstairs in unit 2, and an addition 3 bedrooms in unit 3. A collection of brushed brass cabinetry hardware and tapware in the kitchen, stainless steel appliances, contemporary black tapware in the bathrooms, and reverse cycle heating and cooling throughout reconfirms the exceptional calibre of finish. The addition of landscaped and low maintenance gardens, internal access to the garage and a rewarding location, central to Croydon, Bayswater and Ringwood amenities'. Unit 2: \$880,000 - \$950,000 Unit 3: \$980,000 - \$1,050,000
