Discover the allure of suburban living with this inviting split-level residence nestled in the serene estate of Murray Park. Boasting timeless appeal and thoughtful design, this brand-new build offers comfort, convenience, and a welcoming atmosphere for families and entertainers alike. A spacious open plan living and kitchen features 900mm gas cook top, dishwasher, built in microwave. The master bedroom features a generous walk-in closet and a large ensuite with his and hers basin. Three additional bedrooms, each equipped with built in robe. A large full bathroom ensures convenience with its functional design. Storage is plentiful throughout the home, catering to practical needs, while a low maintenance yard ensures that outdoor upkeep is kept to a minimum, allowing more time to enjoy the lifestyle this property affords. The home offers refrigerated heating and cooling for all round comfort, and double lock up garage.
