\$570,000 - \$620,000

Discover a beautifully maintained townhouse in one of Kensington's most desirable areas. Featuring a spacious master bedroom with a study nook, a bright open-plan living area, and a well-equipped kitchen, this home offers both comfort and convenience.

- Generous master bedroom with built-in robes, study nook, and balcony
- Central bathroom with separate shower and bath
- Light-filled open-plan living and dining area with polished floorboards
- Kitchen with stainless steel gas appliances and dishwasher
- Polished floorboards throughout, European laundry, and ample storage
- Air conditioning, ducted heating, and a large balcony
- Freshly painted, ceiling fan, and paved low-maintenance courtyard
- Off-street parking
- Close to shops, cafes, schools, train stations, and easy access to Citylink
