## **BRAND NEW TOWNHOUSES - MOVE IN READY**

**ONLY 3 LEFT - READY TO MOVE IN NOW**

Crone Architects have designed an exclusive collection of 19 townhouses in a picturesque, green enclave. The timeless design references the residential character of the neighbourhood using gently receding forms and material variations to bring a confident modern identity to Notting Hill.

Located less than 1km to Monash University's world-class facilities, as well as a variety of gardens and nature reserves. Nearby freeway links mean Melbourne's CBD is only 30 minutes away. Closer to home, it's 12 minutes to Chadstone, Australia's largest shopping centre and luxury lifestyle destination.

Each residence explores new ways of increasing liveability through considered design across three levels. These 3 bedroom townhouses are a showcase of generous proportions, open layouts and luxurious detail bathed in light. Set on individual titles with separate entrances and private outdoor spaces that extend the internal living areas. Each townhouse boasts the features of a bespoke home and includes secure, below ground parking and lockable storage facilities inside.
