Trendsetting tri-level steps from Westfield Knox.

Exemplifying modern lifestyle living with its trendy tri-level design, this near new residence confirms its status with a carefree layout that encompasses dual living zones only meters from Westfield Knox and St Andrews College.

Set back from the street and relishing a desired corner position, the residence flaunts cutting-edge style at just over a year old and welcomes you with an open plan living, dining and kitchen adorned with stone benches, Smeg appliances plus an integrated Smeg dishwasher.

Low-maintenance flooring ensures this level is easy to keep clean, while sliding doors with flyscreens act to effortlessly extend the space out onto the courtyard where you can soak up the sun and entertain with friends thanks to a combination of paving and decked areas.

The soft comfort of carpet graces the midlevel, here a wonderful retreat spills out onto a balcony with Dandenong Ranges glimpses, accompanied by a bedroom with walk-in-robe and central bathroom with stone topped vanity, toilet and rainfall effect shower.

Stepping up to the top floor, two further bedrooms benefit from mirrored built-in-robos and are serviced by a second like-styled bathroom with toilet, while the clever addition of a skylight in the hallway draws in extra sunlight.

Further complemented by a powder room, Euro laundry, split system heating/air conditioning, double glazing, high ceilings, garden shed, under stair storage, LED downlights, video intercom plus two basement parking spaces.

Delivering complete convenience on the doorstep of Westfield Knox, buses, St Andrews College, Wantirna South Primary and Walker Reserve, near Swinburne Uni (Wantirna), Lakewood Reserve and EastLink Freeway.
