Discover this immaculately presented townhouse, ideally located in South Shepparton, just a short stroll to the CBD. This charming property features three bedrooms with built-in robes and a centrally located bathroom complete with a bath, shower, and separate toilet. The open-plan kitchen and living area create a welcoming and spacious atmosphere. The modern kitchen boasts ample bench space and abundant storage, seamlessly overlooking the lounge and dining areas equipped with split system heating and cooling for year-round comfort. Step outside to enjoy a large, undercover private alfresco area, perfect for entertaining. The property also includes a secure single garage with an auto door.
