Classy with its high-end appointments and sleek modern interiors, this two bedroom two bathroom townhouse positioned a short walk to Darebin Creek Trails, buses, train and Fairfield Village is a lifestyle lover's dream. Privately tucked in a contemporary block of five, oriented northwards for its fabulous light and featuring a private garden balcony, this stylish offering impresses with a spacious, airy open plan living domain framed by lofty ceilings and engineered Oak floors that opens to a balcony that basks in northern light. Smeg appliances grace a sky lit kitchen that features stone counters, integrated table and a striking tiled splashback, while equally sophisticated fully tiled bathrooms complement double bedrooms with plush carpets and built-in robes. With a spacious garage whose café curtains allow it to double as an additional living space that cleverly incorporates storage and a study, this home with a Euro laundry, heating/cooling, double glazing and solar panels proves a brilliant first home or welcome investment.
