Find the shops, parklands, pool and station surprisingly close... then find your surprise package right here! Hidden away down a long drive just 300m from Southland, this three bedroom, 2.5 bathroom rear home is set to surprise with a lofty high-ceilinged master-suite on a quiet bedroom level, light-filled living opening to entertainer's decking, and an oversize 2 car auto-garage - lined and epoxy-floored to double as a teenager retreat, mancave or party zone! Crafted in leading-edge style, this architectural home has a complete package of prestige extras; including every Smeg appliance (from 6-burner gas cooktop to integrated dishwasher) for the cutting-edge kitchen, and floor-to-ceiling large-format bathroom tiling - even for the ground-floor powder-room. Starring high-gloss premium stone-benchtops and natural Oak wideboard floors, this style surprise shines with designer extras...right down to sculptural feature lighting shining on the kitchen bench! Climate controlled with individual zoning to every room, the practicalities have a designer edge too sleek block-outs and airy sheer-curtains on extensive double glazing and a sophisticated smoked-glass finish for the built-in robes. Set in easy-care grounds with access to additional parking on the long drive, this is the complete package of prestige living in the Southland retail and recreation precinct; just two blocks to Highett Reserve and Waves Leisure Centre, and a stroll across the shopping centre bridge to the station.
