There's a welcome level of privacy that surrounds this modern three bedroom two bathroom residence that sits to the rear of a boutique block of only five. With its chevron laid timber floors that make a smart first impression in a spacious living room that spills to wraparound alfresco rear gardens, and a chic granite look kitchen that features Westinghouse/Technika cooking overseeing a sizeable dining space, the lavish style of this singular offering will be difficult to resist. Carpets line bedrooms with robes that share two bathrooms, the family bathroom with a decadent soaker tub and the ensuite featuring a semi-recessed basin. Everything comes together with a separate laundry, ducted heating, evaporative cooling, , ducted vacuum and double garage with remote. In a prized setting where access to Macleod Village shopping and trains is easy, and proximity to schools, social clubs and parks is unrivalled, inspection will impress.
