## PEACEFUL & PRIVATE WITH EASY-CARE STYLE

A very stylish hideaway right on the cusp of the town centre, this peaceful single-level villa is ideally located at the rear of just three well-presented homes on the block. Perfectly low maintenance yet spacious enough for young families, this is equally an immensely appealing downsizer close to a range of services.

Extremely private, the home is warmed by rich parquet floors beneath soaring ceilings in the open plan living and dining area which flows from a chic, teal-toned kitchen boasting quality stainless steel appliances. Doors here extend the living space out to a superb alfresco patio which is protected from the weather and spills to a wraparound garden that offers a secure space for kids & pets.

Back inside, the three inviting bedrooms are tucked away together, each one enjoying garden outlooks and benefiting from fitted wardrobes, the master also with a smartly updated ensuite. A sparkling main bathroom services the rest of the home and offers a convenient separate WC, whilst ducted heating and multiple split systems ensure year-round comfort. Wrapped up by a garden shed and laundry giving secure internal entry to the auto garage, there is nothing to do but move in and enjoy.

Just a quick stroll for morning coffee or to the bus & city-bound train, this highly desired position is within easy reach of the supermarket as well as Southland's attractions.
