Luxurious Lush Living!

Nestled amidst lush greenery, this townhouse offers the perfect blend of serene parkland surroundings and city convenience. One of five in a boutique allotment, the sun-soaked top level features an open-plan living and dining area, seamlessly connected to a modern kitchen adorned with stone finishes, stainless steel SMEG appliances and a light-enhancing window splash back. Step out onto the north-facing terrace, where a heritage oak tree stands tall, and relax in the comfort of double-glazed windows and an automatic sensor awning, ideal for year-round enjoyment. The inviting lower level features three double bedrooms, each with BIRs, including a master with an ensuite. Sheer curtains and blinds add a touch of elegance, while the bright central bathroom impresses with a floating vanity, bath and rain head shower. Throughout the home, you'll find exquisite details like bamboo flooring, soaring ceilings, keyless entry, a spacious automatic garage and split systems. The private courtyard, with direct access to a serene reserve, enhances the sophisticated ambiance. Situated just a short stroll from North Essendon Village cafes and shops, and within the highly sought-after Strathmore College zone, this residence offers a prime location with unmatched convenience.
