With simple yet elegant form making and an emphasis on natural light, this two-bedroom townhouse residence - positioned among the local sports fields and shops - offers an incredible lifestyle experience. A modern material palette comprising hardwood flooring and stone surfaces adds a sleek, natural materiality to the main living area. Sliding doors open up the space to a rear deck where alfresco entertaining enjoys the added advantage of east-facing perspectives. Living and dining blend seamlessly in the open-plan kitchen. A central island and breakfast bar encourage entertaining, and are supported by stainless-steel equipment and plenty of storage space. Upstairs, a primary bedroom with BIR and ensuite is accompanied by a second bedroom with BIR and shared bathroom. Features include double stairwell windows for extra natural light, Euro laundry, guest powder room, induction cooktop, and Rinnai ducted heating and cooling, zoned areas with programable thermostat. Placed among parks & schools and within walking distance of local shops, the property is further advantaged by close proximity to key arterial roads, Seaford station, and the foreshore.
