Spanning across two spectacular levels of style and sophistication, this modern townhouse manages to combine class, elegance and an enviable location with everything you need within walking distance. The quality is immediately evident as you enter the expansive open plan living, dining and kitchen precinct that's flooded with natural light. The five-star kitchen features stone benches, stainless steel appliances, and plenty of cabinetry. Three spacious bedrooms include fantastic robe storage and are serviced by two stylish bathrooms and a large laundry. Sliding doors off the main living area connect to a sun-drenched outdoor entertaining courtyard. Added highlights also include heating, cooling, ample storage and a remote-controlled single garage. Enviably placed, within minutes to Edwardes Street and Broadway Village, Edwardes Lake parklands, public transport and local schools.
