Situated at the rear of three in a peaceful enclave, Main Road Real Estate proudly presents an unmissable opportunity for first home buyers, young families, and astute investors to secure a contemporary 3-bedroom townhome offering a luxurious, low-maintenance lifestyle, close to every local amenity. Stepping inside, the home begins with the hallway, flowing throughout as a central spine. Showcasing elegant open-plan living and dining, the home is superbly zoned, situated across the lounge and dining areas. Making a seamless transition outside, the undercover alfresco area is perfect for year-round use, and particularly long summer barbecues. Framed by a lush backyard and thick grass, with space for kids and pets to play. Built for entertaining, the premium galley-style kitchen showcases quality stainless steel appliances, including gas cooktop, under-bench oven, and dishwasher, complemented by a deep double sink and an abundance of storage throughout. Completing the picture, the breakfast bar with feature pendant lighting creates an informal eating space, place to catch up on life admin, or a perch to keep the chef company. Carefully zoned away from the bustling living and dining areas, the home's three sleep sanctuaries are fitted with plush carpet underfoot and block-out roller blinds for a peaceful night's sleep. Superbly appointed, the palatial master bedroom enjoys a walk-in robe and private ensuite, while bedrooms two and three are each fitted with built-in robes with excellent storage capabilities. Drawing inspiration from hotels, the sparkling family bathroom offers a choice of freestanding bathtub or glass corner shower, plus separate toilet for utmost convenience. Whether you're getting ready for the day or unwinding at the end of the week, the bathrooms strike a delicate balance between sophistication and practicality. Other features include a single lock-up garage with internal access plus drive through to the rear yard, separate storage shed, large laundry, and reverse-cycle split-system heating and cooling paired with ducted heating for year-round comfort. Perfectly positioned, enjoy living close by Copernicus Way Reserve, Monmia Kindergarten & Primary School, Keilor Downs College, Keilor Views Primary School, Willys Avenue Reserve & Playground, Keilor Central Shopping Centre, Brimbank Aquatic & Wellness Centre, and Keilor Plains Railway Station. With the Calder Freeway a short drive away, providing ease of access to the city, airport, and beyond.
