Privately positioned in Old Broome and a stone's throw to Town Beach, Matso's and the Mangrove Hotel, this four-bedroom townhouse will surprise you at every turn. Behind the electronic gate lies this two-storey home with double carport, multiple outdoor living spaces and views to the complex's central swimming pool. The interior is light filled and spacious, with neutral colours adorning the rendered block walls. Those walls not only offer a lovely visual canvas, but insulate the indoors as well. It's just perfect for Broome's climate. Downstairs, the open plan design wraps around the timber staircase and is lined with large cool floor tiles. The kitchen makes a statement with its stainless steel rangehood, unique mesh cupboard doors and convenient breakfast bar. There are two large windows here looking out to the beautiful gardens. All four bedrooms have mirrored built-in robes, the master bedroom enjoying his & her vanities in the ensuite. Soft colouring, modern window furnishings and elegant hints of timber throughout complete the interior and give it that charmed look. Outside, soak up the serenity, either on the patio or above from your private balcony. Meandering amongst all 5 townhouses in this quiet complex is the mature and well nurtured landscaping, which provides shade, privacy and amazing views. There's even a double carport and handy storage room. Bonus! Currently leased at \$1050 per week until April 2025, this is an investment not to be missed! call Rueben TODAY - 0408 446 123
