Cutting-Edge Streetfront Style with a Bespoke Edge

Step into an entertaining lifestyle, step out to a sun-filled courtyard, step up to a treetop-balcony and relax! An exciting next step into prestige living, this tall three bedroom plus study, 2.5 bathroom streetfront home steps up with sun-catching living-dining flowing seamlessly to a pear-hedged decked garden, a first-floor bedroom level centred on a fitted home-office, and a balconied master-suite cocooned in lush linen-sheer curtains.

Specified to cutting-edge standards and curated in custom style, this dynamic design stars a state-of-the-art kitchen fronted by a deep stone-wrapped bench, a fully-tiled bathroom and dual-vanity ensuite, and prestige finishes including stone benchtops extending to splash-backs for the bathrooms, wideboard Oak floors, and full-height walls of light-catching double-glazing.

Designer detailed with a bespoke-fitted walk-in robe (starring enclosed drawers and mirrored shelving), the home features streamlined dual e-screen and block-out blinds, individual reverse cycle climate control to every room and airy ceiling fans for most. With two-car parking including an auto-garage, there's a low-maintenance landscape out front ...and endless afternoon sun for the courtyard.

Prestige-built, bespoke-detailed and located for lifestyle, this impressive streetfront home is within an easy walk of the cafes, supermarket and station, a last-minute dash of Sandringham Secondary College and minutes of Bayside beaches and cafe society.
