This contemporary gem, built in 2018, boasts a striking rendered and bricked facade, setting the stage for a home that caters to a diverse range of buyers whether you're embarking on your first home journey, seeking a family haven, or exploring a lucrative investment opportunity.

As you cross the threshold, be welcomed by the allure of sleek, modern white tiled flooring that gracefully extends throughout the residence, enhancing the overall sense of sophistication. Venture further inside to discover a bright open-plan kitchen and meals area, where the kitchen steals the spotlight with its gas cooktop, tiled splash-back, and chic grey cabinetry.

Ascend the stairs to the master bedroom, a true highlight featuring a luxurious ensuite and a private balcony, providing an idyllic spot for savouring your morning coffee. Additional bedrooms offer plush carpeting and generous storage, ensuring comfort and convenience. All beds include split system aircon for comfort year-round.

The opulent bathrooms are a testament to refined taste, adorned with floor-to-ceiling tiling in neutral tones, exuding an air of elegance and sophistication. The main bathroom beckons with a built-in bath, creating a haven for relaxation after a demanding day.

Outside, concrete pathways guide you through a well-manicured lawn area, catering to the needs of an active family. The single rear access carport stands ready to provide secure parking space, completing the picture of practicality.
