Stepping inside this gorgeous brick home, guests are greeted by warm, polished timber parquet flooring and a grand corridor that leads the way to the rest of the home, offering a glimpse of the scope of this property. Sunlight floods the corridor from a carefully placed courtyard that doubles as a lightwell, which illuminates the entire home given its northern positioning. The home's beauty lies in its versatile floorplan, with ample bedrooms and generous living spaces. The first bedroom, tucked away at the front of the property, benefits from built-in wardrobes and can be utilised as either a guest bedroom or a work-from-home study. The main bedroom, located further down the corridor, boasts large floor-to-ceiling windows that take full advantage of the morning sun. Mirrored built-in wardrobes help reflect the light and keep the room feeling fresh and open. A spacious ensuite with a large shower and bath completes the luxurious feel of this master retreat. Downstairs, the home opens out into a bright, free-flowing dining, living, and kitchen area beautifully appointed with black marble benchtops and stainless-steel appliances. Upstairs, a second living area and two additional bedrooms with built-in robes provide plenty of space for the whole family. Additional features of this magnificent home include air conditioning, ducted heating, and evaporative cooling. Situated within the Coatesville Primary School Zone and central to both Chadstone Shopping Centre and the Oakleigh Plaza, this opportunity is not to be missed.
