Spacious Retreat ... Bright and Airy Full Brick Townhouse

Perfectly positioned, this bright and airy, full brick townhouse offers generous proportions that are rarely seen nowadays. Quietly placed at the rear, the home is a short walk to the prized Henley Park, Enfield Aquatic Centre, several schools, and bus services directly to Strathfield/Burwood train stations and the CBD.

Perfectly appointed for relaxed living and year-round entertaining, it features three double bedrooms, two with built-in wardrobes, and the main with a study area, walk-in wardrobe, and ensuite. The home includes a stone-finished kitchen, a full main bathroom, and an internal laundry with a third shower and separate WC.

A spacious open-plan living and dining area flows out to a paved courtyard, and there's a separate study/office or single fourth bedroom upstairs, along with a balcony and internal access to a double lock-up garage.

This is an excellent opportunity for young families demanding additional space and low maintenance.
