This gorgeous low maintenance townhouse is a “cool” place to live. With ducted air conditioning and ceiling fans in all three spacious newly carpeted bedrooms, complete with mirrored built-in robes, comfort and practicality can only describe this beautiful lock up and go. The open plan living and dining area flows out to a sizeable fenced courtyard - perfect for entertaining. The modern kitchen with stainless steel appliances, stone top benches and plenty of cupboard space will certainly inspire the inner master chef in you. Ideal for a small family, this peaceful complex is conveniently situated close to public transport, medical services, childcare, great schools, and a few minutes away from the Logan Motorway and Centenary Highway for quick access to Brisbane and the Gold Coast. Don't miss this one - it won't hang around long! Completed applications prior to a scheduled inspection are accepted. This is so we can begin processing your application and contacting all references to get a head start prior to viewing. The fastest and easiest way to apply for this property is through using the Apply tab on this realestate.com.au advert. This is a Break Lease situation. This property is available on the 12th of August, 2024
