The serenity of a secluded rear position and the convenience of a central location create the perfect scenario for a low-maintenance lifestyle with this exquisite three bedroom, 2.5 bathroom townhouse. Tucked away in a boutique block of only three others, this light and spacious executive home is brilliantly designed for seamless indoor-outdoor living and entertaining. Ducted heating, ceiling fans and polished Tasmanian oak floorboards enhance a superbly updated interior that over two impeccable levels is designed for optimal comfort and easy enjoyment. A functional and flowing ground-floor layout opening to an undercover deck in a garden-fringed courtyard features a north-facing living room with a study nook, meals area adjoining a stunning gourmet kitchen (stainless-steel appliances, stone countertops, walk-in pantry), a powder room and a full laundry. Accommodation is quietly located upstairs and, complemented by an impressive family bathroom, consists of three generously-proportioned bedrooms including built-in robes with the main offering a walk-in robe and pristine ensuite. A tranquil rear oasis delivering the ideal blend of space, elegance and quality, this attractive modern townhouse with an internal remote-control garage perfectly delivers as a first-class option with low-upkeep appeal and effortless access to Ivanhoe's exceptional cafes, restaurants, shops and supermarkets, the train station, Burgundy Street, the Austin Hospital, parklands and schools.
