Look no further as this is the property you have been looking for. It has the space, it has the light & it has all the modern elements to make living in this property very comfortable & low maintenance with regular garden maintenance all included to suite any busy lifestyle. And if that doesn't appeal, you definitely won't be disappointed with kitchen offering modern SS appliances, stone bench top & dishwasher, bedrooms with both Bir's & split system in each, large central bathroom with both shower & bath, powder room, separate laundry, alarm, solar hot water & to complete the package a single remote garage with the added OFS parking. Definitely pencil this one in.
