Featured on Ch 7 - This stunning 2-bedroom, 2-bathroom townhouse with extra "powder room" downstairs - offers you a fully furnished (or partially furnished) townhouse in a resort style, modern, beautifully designed space you will enjoy calling home from the minute you walk in. It is within strolling distance to everything in Brunswick - the beaches, shops, cafe's - and literally "across the road" from the World Class entertainment of the Brunswick Picture House. Located in the very desirable location of Central Brunswick Heads - this quiet apartment offers beautiful ambience with a touch of Luxury. Full of natural light, with high ceilings - both bedrooms upstairs enjoy a NE aspect. The King size master bedroom features a private entry to a two way bathroom and has a whole wall of "floor to ceiling" built-in robes. The second bedroom could be for guests - or used as a perfect work / office or studio space - if you do work from home. The home is designed with generous spaces that flow beautifully - from the sleek high quality finishes of the gorgeous kitchen - to the open-plan dining area - to the very private courtyard (with a pergola roof) - a great spot to enjoy your morning coffee in the morning sun. There is a compact BBQ area outdoors also - and the marble finished bathrooms include a deep bath - to add to the luxury of living here. The apartment is set up with fast Wifi, solar energy, air conditioning and/or fans to keep you warm or cool. It has generous storage areas, and secure parking for one car with a power point for EV charging. Adding to the low maintenance, is an automated watering system for the compact garden - and the beautifully lit garden adds a special evening ambience to help you unwind and relax at the end of your day - if you are having a quiet night in - or entertaining guests it's the perfect setting for a perfect living space.
