Welcome to 4/8 Alexias Way, Oakdowns

Constructed in 2021 by one of Hobart's premium builders, Elevate Building Tasmania, widely known within the construction industry for their exceptional build quality and impressive finishes, this stunning 3 bedroom, 2 bathroom home is sure to impress.

Upstairs is home to a beautiful open plan living and dining area with timber floors and inviting neutral and modern décor, bathed in light and warmth. The beautiful kitchen comprises stone benchtops, soft-close drawers, and a hidden butler's pantry. This area creates a smooth connection between indoor and outdoor entertaining by providing access to the spacious deck, perfect for summertime and entertaining for friends and family. A privately tucked away powder room is also placed upstairs for added convenience.

All three bedrooms are located downstairs, with the master bedroom including an ensuite, built-in wardrobes, and access to the backyard. The property boasts two further ample-size bedrooms also with built-in wardrobes. The main bathroom features an integrated bath and separate shower with attractive terrazzo tiles as well as matte black tapware and floating vanity.

Downstairs also comprises a European laundry and internal access to the secure, two car garage. The backyard is low maintenance and fully fenced but still has plenty of space for the avid green thumb or for pets and children.

Situated in Oakdowns, which is only a 20 minute drive to the Hobart CBD and close to the new Glebe Hill Shopping Village. This includes all your local services and amenities, including a supermarket, post office, pharmacy, and more.
