Spectacular Townhouse with Rooftop Entertaining

A bayside entertainers' delight, perfectly positioned just metres from the cafes of Hampton Street and the sands of Hampton Beach, this superbly appointed, tri-level townhouse delivers year-round alfresco entertaining options that culminate in a spectacular rooftop terrace. Peacefully set in a boutique block of only six and directly adjacent to some soon-to-be-completed parkland, this is a rare opportunity to immerse yourself in a walk-everywhere lifestyle enriched by memorable home entertaining, cafes, fine dining, city access and endless exercising along the waterfront.

A recently renovated kitchen is set under a vaulted ceiling as it tastefully contrasts natural stone benches and subway tiling with a black oven/cooktop. Meanwhile, open-plan dining/living extends outdoors to an all-seasons deck that basks in afternoon sun while also enjoying the shelter of a retractable awning and the warmth of an outdoor heater and upstairs, the home's crowning glory is a rooftop terrace with 360 views.

Each of the bedrooms is set on the ground-floor with built-in robes, shared courtyard access and a main bedroom ensuite that is fully tiled with an over-sized shower. Further highlights of this immaculate home include secure basement parking with two storage units, secure video entry, a fully-tiled central bathroom, concealed laundry, security alarm and reverse cycle heating/air conditioning.

Immerse yourself in one of bayside's most highly-regarded strips of cafes, restaurants, bars and strip shopping, whilst multiple buses and city-bound trains from Hampton Railway Station ensure easy connection to the rest of Melbourne.
