This stylish townhouse with great flowing floor plan and loads of natural light will impress the most fastidious professional! Comprising, private security entrance, separate family room, vogue open plan kitchen with marble benches, glass splash backs and modern stainless steel appliances, breakfast island bar flowing to a very spacious dining and lounge area featuring a wall of glass and double doors opening onto a huge entertainers courtyard. King size master bedroom with ensuite bathroom. First floor: Very spacious second bedroom and two other bedrooms with built in robes and terrace balconies, central designer bathroom with glass panel shower, full size bath and separate powder room. Additional extras include split systems for heating and cooling throughout, separate laundry, double lockup garage with internal access under stair storage.
