BRAND NEW & BRILLIANT TOWNHOUSE

Relish the luxury of brand-new style and stretch out in the spacious light-flushed floorplan of this just-completed townhouse nestled in a highly desired neighbourhood.

Offering the coveted inclusion of a choice of ensuite bedrooms, this luxury home is finished with considerable attention to detail featuring an enduring theme of tall white walls and beachy oak that contrast perfectly with the uber-cool matte black trim throughout.

The ease of low maintenance combined with plenty of room for a family are the first of many highlights through the fabulous accommodation which is focused on the generous open plan living and dining zone - ideal for entertainers, this space flows into the gourmet kitchen boasting stone benchtops and premium Smeg appliances including a 900mm oven. An island bench creates a casual setting to welcome guests before heading out to the stylishly landscaped alfresco patio. The first of two ensuite bedrooms on the ground floor gives options for an accessible master, whilst the largest suite is peacefully placed on the upper level together with a further bedroom and bathroom plus a versatile living area/study zone.

A powder room, Euro laundry and ducted heating/cooling are all provided along with ample storage in all bedrooms as well as outside - concluding a sophisticated opportunity are an auto garage with internal entry, extra on-site parking and water tank.

Sure to attract busy families, the home is a gentle walk to Berendale School & Basterfield Park and is also within a stroll of Moorabbin station, cafes and shops.

For all enquiries please contact Andrew Plousi 0411 799 023 Hodges Mentone.
