## Sunlit Streetfront Style with Surprising Space

Streetfront, sun-drenched and super-accommodating, Bayside townhouse living, and investing doesn't get better than this! Situated in the heart of Highett just 200m from the station via a no-traffic shortcut, this streetfront townhouse adds up to potentially Bayside's best value with virtual triple suite accommodation comprising three bedrooms, three bathrooms and two levels of north-facing design!

Oriented to soak up the sun inside and out with an elevated terrace stepping up from the street, and an auto-awning-shaded balcony floating above it all, this outstanding townhouse stands out for value with indoor-outdoor living including a streamlined European appliance kitchen alongside a wall of bi-folds, ensuite-access bedrooms upstairs and down - one with a private courtyard and walk-behind robe.

Reverse-cycle air-conditioned with easy-care stone benchtops and wideboard floors, plus easy-living block-out blinds and built-in robes, there's the added security of Samsung keyless entry and two-car basement garaging. Best of all, there's this value-added beachside-of-the-line lifestyle location within a minutes' walk of bars, restaurants, cafes, shopping and an easy commute!
