Positioned inside the attractive surroundings of Lakefield Estate with its lovely common gardens, big swimming pool, and a well-equipped covered BBQ area for year-round entertaining, this 3-bedroom townhouse will be a popular discovery for a wide range of owner-buyers and astute investors. Highlights:- Wall-mounted split-system A/C into all 3 bedrooms and the open-plan living/dining area- High-end kitchen with stone benches & top brand electric appliances inc a dishwasher- Tiled through the lower level and carpet from the stairs through the 3 upper-level bedrooms- Big master has WIR, ensuite & private balcony; main bathroom has shower over bath combo- Living area & kitchen extend onto a covered patio overlooking an easy-care courtyard setting. A mixed-material façade of render and cladding creates a great first impression when you first lay eyes on this townhouse, which adjoins only one other. A remote entry secure double garage will keep your trusted 4-wheels protected from Queensland's harsh summer sun, and there's access straight indoors from here to avoid getting wet with the shopping in tow during one of our regular afternoon storms! Guests will arrive after meandering down a short path to the side entry, which can be left half-open to capture welcoming breezes thanks to the addition of a screened security door in front of the solid timber one. Large format floor tiles span the lower level which has the open plan living area, dining room and kitchen at its heart. It's wonderful to see a floorplan where both the living area and the kitchen extend onto a covered entertaining patio through screened sliding doors - it helps heighten the sense of spaciousness and overall flow inside. The warm hue chosen for the tiled splashbacks as well as the timber veneer across the abundant kitchen cabinets creates a cosy feel in the kitchen, which is a comfortably sized cooking zone with all-electric appliances falling at the higher end of the range. Upstairs, carpet runs underfoot through the passageway into the 3 bedrooms - the largest being the master which has a WIR, and ensuite, and opens onto a sweet balcony all its own. The other beds are well served by a practical second bathroom. This is a popular estate for good reason because its on-site amenities are not only exceptionally well-maintained on your behalf but of a very high quality. Just look at the impressive community BBQ set-up adjacent to the stunning pool! This fully covered and paved entertaining area is the perfect place to book if you want to celebrate a special event - or just life - with friends and family. There are a couple of big tables out here and massive stainless-steel BBQs for the most creative cook-ups. From Lakefield Estate you can cut through to nearby Shirley Sester Park for a quick stretch of the legs on days you don't want to dive into the pool of course! 15 minutes on foot will easily get you to bus stops along Beenleigh Road or on a city/coast bound train from Fruitgrove train station. By car, it's a short trip to Pinelands Plaza (6 minutes), Market Square/Sunnybank Plaza (9), and local state schools - plus the CBD is only an 18-minute drive.
