Nestled in a prime pocket this recently built tri-storey town home offers comfortable inner city living. With a smooth palette and a charming fit out this is a must see home for first home buyers! A private ground floor entry leads to the first floor & comprises two bedrooms, both with built-in robes, the main bedroom with an ensuite bathroom plus a second central bathroom. On level two a light-filled open plan living space meets the modern kitchen with ample cupboard space & stainless steel appliances including, gas stove top, under bench wall oven & dishwasher. For lovers of entertaining the rooftop terrace is your own private getaway to enjoy those summer nights with friends and family. Added attractions Include: Polished hard wood floors, Split system heating and cooling, Stone bench tops and glass splash back to kitchen plus modern e-screen blinds. The private off street carport offers both internal entry and a lock up laundry with storage space. Located within a stone's throw from Melville Road Tram and a host of local shops, restaurants and cafes. With easy access to city link, Union Square shopping centre and local parklands inspection is highly recommended!
