Sleek Modern Townhouse Close to Schools, Park, and Amenities

This Torrens titled townhouse showcases an exemplary commitment to thoughtful design. The three-bedroom, two-bathroom residence seamlessly integrates nice finishes with a spacious layout and an air of sophisticated elegance, representing a truly forward-thinking home.

This townhouse will transform your expectations of townhouse living. Its clean lines and sophisticated combination of brick, rendering, and expansive windows significantly enhance its street appeal, further highlighted by the striking 2.4-meter timber front door. The property includes a single car-remote garage with a luxurious acrylic glass door, complemented by an additional parking space on the driveway.

On the ground floor, you'll find an expansive open-plan living area where the kitchen, dining, and family spaces merge into a central hub of the home. The kitchen, featuring a stone benchtop, ample cabinetry, and premium appliances including an oven, range hood, dishwasher, and a SMEG 900mm five-burner gas cooktop is designed to satisfy even the most discerning chefs.

Upstairs, the residence accommodates three bedrooms: two with built-in wardrobes and the master suite, which includes a walk-in robe and an ensuite. Both the ensuite and the main bathroom are elegantly tiled from floor to ceiling, enhanced by an abundance of natural light.

The design also features a notable architectural void overlooking the lower level. The outdoor area comprises a courtyard adjacent to the living spaces, ideal for entertaining or relaxing in the fresh air. Additionally, there is a low-maintenance yard with a garden shed, making it an excellent choice for those who travel frequently or busy professionals seeking minimal garden maintenance.

Enjoy the convenience of being close to Campbelltown's top amenities, including Lochiel and Linear Parks, the ARC, and various shopping precincts. Lower North East Road provides easy access to the CBD, while top school like East Marden Primary School is nearby.
