Promising a relaxed lifestyle and low maintenance living in a prized location moments to everything you could ever need. This sleek 3 bedroom townhouse of generous proportions will exceed your contemporary expectations. Everyday living will be an absolute joy thanks to the overly spacious living and dining zone that's filled with natural light and steps out to an elevated entertainer's deck and private garden. Internally, the kitchen will satisfy eager home cooks thanks to pristine stone, a large island bench, and stainless steel appliances including 900mm cooktop and oven. The upstairs master bedroom impresses with 'His' and 'Hers' walk-in robes and a divine ensuite, with 2 other bedrooms serviced by a stylish family bathroom and a separate powder room completing upstairs. Other highlights include a light-filled office/study nook, downstairs powder room, laundry, refrigerated heating/cooling and internal access to the remote garage, perfect on these wintery days. An easy walk takes you to Huntingdale shopping village, Huntingdale station, Amsleigh Park Primary, whilst only a short drive away is Oakleigh Shopping village, Monash University and Chadstone Shopping Centre. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
