\$1,400,000 - \$1,500,000

Architect designed by the acclaimed Warren and Mahoney, this stunning three bedroom plus study two bathroom town residence is a street front showcase of striking quality emphasised by the fall of the sun. Making a dramatic impression with an 8.5m approx. peak in the glass framed entrance void, this captivating residence uncovers a light bathed open plan living and dining domain with a display of floating joinery, a sumptuous Miele appointed kitchen with plumbing for your fridge, a fully fitted study area, a luxe powder room and a deep European laundry. Continuing the class, upstairs showcases a deluxe main bedroom suite (lavish dual vanity ensuite, walk in robe), two further north facing bedrooms (mirrored built in robes) and a vogue bathroom. Two sets of sliding stacker doors expand to a paved alfresco platform as an open lawn sits in the private north facing rear garden. Designed with high calibre finesse accentuated by its tall ceilings, European Oak floors and full height drapes, this exceptional home is complemented with reverse cycle air conditioning, solar boosted hot water, double glazed windows, ample storage and internal access to an auto garage with further parking on its own driveway. Beachside of the highway in this low traffic locale, close to Dendy Park with its glorious expanses and sporting facilities, while moments to Brighton Golf Club, South Road colleges, essential shops and the city train.
