A generous study nook and powder room round out the second level and the two additional bedrooms downstairs are equally well-appointed and serviced by the main bathroom, offering space and privacy for family or guests.

The townhouse also features a low-maintenance courtyard, private street access, and a secure two-car lock-up garage, making it ideal for those seeking a low maintenance and convenient lifestyle. With 5.4 kW solar panels and ducted air conditioning throughout, this home is as energy-efficient as it is beautiful.
