Directly opposite the majestic Lake Doonella and just footsteps to Noosa Marina, Noosa River, and Tewantin village hub, this end townhouse in a boutique complex of only eight, offers an amazing waterfront lifestyle for the location. Across two light-filled levels, it comprises three bedrooms, two bathrooms, private courtyard, upper balcony with delightful lake views, central kitchen with adjacent dining/lounge, internal laundry, and single carport. There will be nothing more relaxing after a day on the water or returning home from work, than sitting out on the deck with a glass of something refreshingly chilled, and soaking up the outlook and witnessing arguably the best Tewantin sunset...sound inviting? You bet! Freshly painted throughout, other features include raked ceilings in living, new carpet, new blinds, air conditioning and ceiling fans in all bedrooms, and being in an end position privacy and light is enhanced. Located in the 'Spinnaker' complex - there is a communal pool and BBQ area to enjoy, lush tropical gardens and just a short stroll to the RSL, Royal Mail Hotel, village retail and cafes, parks, quality restaurants at the Marina. Only a few minutes' drive to Gympie Terrace's plethora of riverfront dining options, and 13 minutes to Hastings Street and Noosa Main Beach...this is lifestyle central.\*Available 8th December 2023\*Unfurnished\*Pets on application\*Please call 5449 8800 for an inspection time We have in preparing this information used our best endeavours to ensure that the information contained herein is true and accurate, but accept no responsibility and disclaim all liability in respect of any errors, omissions, inaccuracies or misstatements that may occur.
