Modern Entry to Thornbury's Parkside Precinct

Thornbury's parkside precinct has gained in popularity over the past few years and for good reason. Near Darebin Creek walking trails, boutique breweries, cafes, schools and within easy reach of High Street, this pocket offers inner-north living that is both serene and well connected. Complementing this wonderful location is this modern three bedroom, three bathroom townhouse showcasing contemporary class through two distinct living domains. Engineered Oak floors and crisp white walls form a timeless backdrop to this home arranged over two light-filled levels that impresses with a spacious open plan domain and stylish stone topped kitchen featuring a full suite of appliances. Sliding doors connect to an alfresco deck and gardens, while an upstairs retreat offers options as a private study. Bedrooms with carpets and built in robes are each serviced by their own fully tiled bathroom, the ground floor master with a walk in robe and ensuite, while excellence continues through high ceilings, split system heating/cooling, Euro laundry, powder room, garage with remote and internal entry plus off-street parking. In a quiet cul-de-sac near transport, schools and parklands, inspection will impress.
