A Sun-Filled Short-Cut to a Stylish Bayside Lifestyle

A single-level sensation just steps to the lush parkland of Wishart Reserve, this ultra-stylish and endlessly sun-filled home is everything you have been looking for and more. Its innovative, low maintenance design is characterised by contemporary finishes, hardwood flooring, and walls of glass at every turn. With two privately zoned en suite bedrooms, an ingenious home-office, and a decked courtyard, this property is your short-cut to a coveted Bayside lifestyle.

Beyond a striking architectural facade, the peacefully rear-set residence makes a remarkable first impression. The bright and airy open-plan layout exudes relaxed sophistication, with a vast living and dining zone that seamlessly extends to north-west-facing decking, perfect for al fresco entertaining. The prestige kitchen continues the theme with an asymmetric part-waterfall benchtop complemented by quality stainless steel appliances and custom cabinetry including a double pantry.

Experience the tranquillity of a quiet accommodation wing, where each bedroom features a deluxe skylit en suite and built-in robes. The clever study space is enhanced by a fitted workstation and floating shelving, while the full laundry and remote single garage provide ample storage solutions. Enjoy superb comfort with individual climate control in every room of this superior single-level home, perfectly positioned in an in-demand cul-de-sac.

Walk to the park, stroll to Coles Express, or take a quick drive to Hampton Primary, Hampton Street, and the beach. The Southland bus is just steps away for easy access to the station and beyond. A rare opportunity to secure your place in Bayside with an enviable blend of style, serenity, and sought after convenience.

For more information about this single-level entertainer please contact Leanne Potter at Buxton Brighton on 0414 344 144.
