Discover easy living in East Fremantle with this bright and low-maintenance townhouse! Beyond the simple, modern exterior in grey and charcoal, the home opens to a living, dining, and kitchen space, leading to the high-walled courtyard. The L-shaped kitchen features glossy white and cream cabinets and stainless steel appliances, including an induction cooktop and dishwasher. The laundry offers excellent storage, and the downstairs bathroom has dual access through to the office at the front of the home. Up the spiral staircase, it feels bright and airy, with balconies on two sides, north and south. There are two carpeted bedrooms, one with a study zone and both with built-in robes, plus another dual-access bathroom with full-height wall tiling and a bath. There's a dedicated parking bay outside your front door, plus additional off-street parking at the front of the building. Positioned at the rear down the wide driveway, this townhouse is in a nicely secluded spot, with security screens on the doors and windows, so it's easy to open up for the breezes. It's quick and easy to get to the beach, the river, North Freo, and Fremantle. You can walk to Fresh Provisions and all the shopping and services at Petra Street. At home, just relax in this low-maintenance, two-storey townhouse with an airy and secure design. Enjoy the rear courtyard and elevated balconies from each of the two bedrooms.
