Ready and well-kept, this two-bedroom home presents itself as a fantastic abode in a great location. Upon entry to the home, timber floors guide you to the open plan living and dining space. This area is enveloped in light as it opens to the generous backyard, making indoor/outdoor entertaining and living simple. The home's functional kitchen features ample bench space, an abundance of storage, glass splashback, double sink and stainless-steel appliances. The lower level is completed by a powder room and European laundry. Both bedrooms are serviced by a central bathroom with stone benchtop, vanity with storage, shower and toilet. Located in a quiet street of Melbourne's burgeoning Inner West, approximately 11kms from the city, an abundance of amenities are close by. Several reserves and parks, Medway Golf Club, Highpoint Shopping Centre, Pipemakers Park, the Maribyrnong River, Hampstead Road shops and cafes, tram/bus stops, Maribyrnong College and various other schools are just around the corner.
