At Minta, it's possible to enjoy a tranquil lifestyle without compromising on convenience. Undulating landscapes and natural lakes create a peaceful environment and parks, schools and shops are within easy reach – keeping every day easy and relaxed. This is the magic of Minta. Minta is located in the established suburb of Berwick with everyday conveniences at your doorstep and provides all of what residents need the day they move in. Only 48km east of Melbourne's CBD, Berwick is a highly sought-after suburb of the Casey region. Located on the south side of the Princes Freeway, Minta residents can head straight to Melbourne's CBD with current access via Clyde Road, or the future freeway access point on the community's northern boundary. Alternatively, public transport users can take advantage of Berwick's established bus routes and Beaconsfield Train Station just 3.5km away. Minta will become home to over 1,750 families. Enjoy a walkable lifestyle with walking trails and cycling paths leading you to the proposed retail and employment precinct as well as established shops, education options, recreational facilities and transport links. Minta will be defined by its stunning natural landscape, activated spaces, connectedness and focus on sustainability, allowing you to live life your way.
