Offering the 3 golden eggs of resort living; Ski in ski out, undercover parking and spectacular views, this 4-bedroom chalet is presented in immaculate condition, with its fresh new look and elegant furnishings. The Top Deck: Upstairs, the open plan living/kitchen/dining has been updated & beautifully finished, while the vaulted ceiling, wooden beams, north facing balcony and wood fire provide characteristic alpine charm. The wall of north facing windows, allow the natural light to stream in, while providing jaw dropping views across the Swindlers Valley. The perfect entertaining area for you and your guests to take in the action whilst enjoying your favourite après. Entry level: Located below the living, is the entry with shedding room, ski storage, drying room & European laundry. The level also provides two bright North facing bedrooms, both with BIR and a family bathroom with shower over a small corner spa bath, perfect for soothing the muscles, and a spacious lockable owner storage cupboard. Split level: Down a few stairs is the third bedroom with king split bed for flexible bedding configuration, private balcony & BIR. Lower level: Just below is a second bathroom and the bright master suite, with ensuite, separate WC, BIR and north facing patio door accessing the lower deck. With easy access to the Village Basin at one end of the walkway and your own private undercover parking at the other you can begin your holiday the moment you arrive. Currently configured to sleep up to 12, Twirligig ticks all the boxes for the perfect Alpine Chalet.
