TOP FLOOR APARTMENT WITH WATER VIEWS THAT WOW!

Offer at auction accepted.

Magnificent water views captivate you upon entering this exclusive top floor apartment situated within a short stroll to a selection of pristine natural environs.

Slip out your door and head for the soft sand and lapping waves of North Shore beach, or if you prefer the calmer waters of the Maroochy River, direct access is available via a boardwalk and jetty.

A picturesque lagoon sits right out the front, complete with water sport activities and the gentle bustle of a popular resort retreat across the way.

Positioned at the north-eastern end of the building and with a private alcove entry, the property features vaulted ceilings adding sunlight and sea breezes to the open living area.

This exclusive apartment really does offer everything you could desire for the perfect coastal lifestyle, suitable for both permanent living or a holiday getaway.

A large north-facing balcony extends the living area so you can really soak up the water views and watch the catamarans skip across the glistening lagoon.

The centrally located kitchen with island bench breakfast bar includes a combination of stainless steel and stone benchtops, and a gas cooktop.

Enjoying lovely airflow throughout, the spacious three-bedroom apartment offers separation for each bedroom, plus two bathrooms, a functional study nook, separate laundry, and plenty of storage.

The master bedroom retreat takes in the captivating water views even from the generous en-suite, and the spacious walk-in wardrobe area is another bonus not usually found in apartment living.

Two secure car spaces and lock-up storage complete this unique offering in idyllic coastal apartment living.
