Introducing Imperial Square, a magnificent empire set to become the new cosmopolitan heart of the Gold Coast's CBD. This grand precinct will forever transform and elevate the bustling suburb of Southport as a world-class destination for the city, an icon for Queensland, and the epitome of coastal living.

Set to be delivered across three stages, this development spans a site of 13,420sqm, and will consist of a vertically integrated commercial and accommodation complex, capturing Australia's second largest non-resource export sector, tourism.

This empire is a destination that will offer future owners and investors a slice of the prosperous life. This is your exclusive invitation to invest in a development where you can live like royalty, dine like a king, build your business empire, and be part of a majestic precinct that will reign for generations to come.
