Located in a prime position this 3 bedroom unit is a hard to find property in this price range. The lounge has views out to the front garden & street and has air conditioning and gas heating. The kitchen/meals area is totally separate and has space for you and the family without squeezing around a small table-you can get a large one. The 3 bedrooms are located around the central bathroom that has a corner bath, shower, toilet, vanity, laundry cupboards and sink! There is a carport on the title and visitors parking outside the front door. Walk to the Dandenong market, plaza, schools, places of workshop, railway station and more. Currently left to great tenants but also available with vacant possession. Inspect with confidence.
