Stunning two-storey unit so close to the beach

Bright, stylish and beautifully presented, this could be the beachside hideaway you've been searching for. An idyllic place to call your own or an enviable holiday haven just steps from the water's edge, the choice is all yours when it comes to this Sunshine Beach gem.

The light-filled interior spans two levels with the open-plan kitchen, dining and living room perched on the first floor. Towering ceilings and neutral colour tones throughout enhance the sense of space while walls of glass sliding doors open out to the two covered balconies. With multiple outdoor areas to choose from, you will find the perfect place to unwind no matter the time of day or weather outside.

Your kitchen will make preparing meals a joy with a waterfall-edge central island and stainless steel appliances along with an abundance of storage within the gorgeous on-trend cabinetry. Statement lighting and quality flooring enhance the contemporary appeal plus there's also split system air-conditioning for total comfort.

Both bedrooms are nestled on the ground floor and are air-conditioned, including one with a balcony overlooking the swimming pool. Ceiling fans and built-in robes are all yours along with a combined bathroom/laundry with a private water closet for functionality.

You can leave the car at home and walk to everything that makes Sunshine Beach so sought-after including the patrolled swimming area and the ever-popular Sunshine Beach SLSC. Local restaurants, cafes and boutique shops are all within easy reach of your new home as are picturesque parks and the renowned Noosa National Park with endless walking trails to explore. Adding to the allure of this move-in-ready abode is the ease of access to local highlights like Noosa Heads and Noosa Junction and you're less than 30 minutes from the Sunshine Coast Airport making this a prime holiday hot spot.
