Looking to downsize? Want to live a simpler life with less stuff and more happiness? Then, boy, do we have the perfect place for you! We've got a super cozy, yet surprisingly spacious, 2-bedroom, 1-bathroom property up for grabs in the peaceful suburb of Canley Vale. It's just the right size for a small family, a couple, or even a single person who likes a little extra space. This property is all about comfort and convenience. The bedrooms are just the right size, not too big, not too small, and the bathroom is a real gem. It's got a garage too, so you won't have to worry about street parking or scraping ice off your windshield in the winter. The best part? It's nestled in Canley Vale, a suburb that has all the charm of a small town, but with all the amenities you need right at your fingertips. Plus, the neighbours are super friendly, and the local coffee shop makes a mean flat white. So, if you're ready to downsize and upgrade your lifestyle, give us a shout. We'd love to show you around this little gem in Canley Vale.
