Positioned on a quiet street in a boutique block of only two, this house-sized villa unit offers unexpectedly large interiors, floorplan functionality and immediately comfortable accommodation with future scope to enhance with flair. Three robed bedrooms (ensuite to master) are serviced by an authentically retro bathroom with shower over bath, and a large, well maintained timber kitchen adjoins the vast separate living and dining domains. Add to this, split system heating/cooling, ceiling fans, separate laundry, large front garden and a rear double garage for easy off-street parking. Ideal for buyers valuing single level simplicity with no compromise on space or lifestyle appeal, this terrific opportunity celebrates a top location to match. Stroll to High Street/Harp Road shops, cafes & eateries, plus prestigious schooling, city-bound trams and parklands all just moments away.
