Enveloped in renewed style in a blue-chip central Frankston location, this chic 2-bedroom apartment offers the ideal cosmopolitan lifestyle for those who want it all. Space, style and substance come together in a magnificent ground-floor opportunity, blending the amenity of cosmopolitan living with the breathtaking nature of its bayside setting. The apartment's easy-care finishes leave no stone unturned, showcasing an open-plan design with quality carpets and a crisp colour palette, complemented by the easy-care nature of the laminate benchtops and gas cooker in the kitchen. Two robed bedrooms lay separately to one side, serviced with near-immediacy from the central bathroom with a shower-over-bath and laundry provisions. Finished with a car space and electric heating, it offers a chance to break into a thriving Frankston market in low-maintenance style, a moment's walk from daily walks along the foreshore, a morning coffee from one of Frankston's many chic cafes, with fantastic public transport accessibility, Bayside Shopping Centre, and Frankston Freeway/Eastlink access all close by.
