**\$770,000 - \$830,000**

Perfectly presented and exceptionally positioned, this spacious 2-bedroom home delivers every want and need for effortless lifestyle living. Kick back and enjoy a serene spot right on the cusp of Carrum Village, with everything done in preparation for its next chapter of life. Cute and characterful beyond cottage fences and an automatic gate, the home extends into a light-filled design with an open-plan edge, with timber-look floors and large windows accentuating light and warmth. Grab a drink and some treats from the stone-topped kitchen and step outside with family and friends, enjoying the north-facing yard and an immense covered deck that's simply perfect for entertaining. The two robed bedrooms are zoned to the quieter front of the home, where a lavish central bathroom and a separate toilet closely service the family. Additionally finished with heating/cooling and a single garage, it offers a bus stop right outside its front door, with near-immediate access to Carrum Primary, Patterson River Secondary, Roy Dore Reserve, Carrum Village, and the stunning Carrum foreshore.
